QUACK INU

01 Introduction

WELCOME

Huge community. Big Dream.

Quack Inu Token was dreamed up in April 2022 with the goal of becoming a decentralized community focused ecology project with true purpose.

Quack Inu Token mission is to bring new cryptocurrency concepts to mainstream investors. Unlike older, comparable projects, \$Quack Inu introduces holders to next-generation concepts such as Staking & Farming, NFTs with utility, rewards and more.

Within the first month of planning, \$Quack Inu have made huge plans for an entire ecosystem built around the brand, including staking, yield farming and NFT staking as well as many more exciting utilities that rewards the holders of \$Quack Inu .

Big Dream. Big Utility.

Quack Inu TOKEN

A BEP20 (BSC) token that promotes healthy and widespread growth and usage through the Ecosystem built around the Quack Inu brand as well as decentralization of the project through specific rewards linked to users' transactions involving decentralized wallets and other utilities such as staking and farming.

Quack Inu GAMES

Play to Earn games will be at the heart of the Quack Inu ecosystem ,Quack Inu will develop a casual social game,All the consumption of the game is paid by Quack Inu, and the price of Quack Inu will only get higher and higher.

Quack Inu NFTs

NFTs with real utility. Quack Inu are producing a set of unique NFTs that will have their own utility in the form of games. This will allow you to earn a variable amount of passive income just for holding Quack Inu NFTs.

Quack Inu STAKING & FARMING

Staking pools will be available shortly after launch. We will be running a flexible pool as well as a choice of locked pools such as 45 days and 90 days, all with variable APRs. We will also have LP farming, where you can create an LP token such as \$BNB-\$Quack Inu and yield higher rewards.

COIN LOCATOR

The next big thing for finding up and coming projects before anyone else, powered by Quack Inu. Offering listings and advertising to new projects, bringing revenue directly to the Quack Inu ecosystem and rewarding holders of the Quack Inu token.

02 Values

TRANSPARENCY & COMMUNITY

Quack Inu is fully decentralized and ownerless, supported by its community of enthusiasts. Free, open and frank communication is encouraged within the community supporters so that everyone can be informed and even participate in every step of Quack Inu growth! Multiple, independent, free group efforts in development, community self-management and more are strongly encouraged!

TRUST

In the cryptocurrency space, trust is paramount. That means full transparency from the team, not only in the development of the project, but also in the security of the project. Examples

include industry-leading audits of \$Quack Inu code, and a liquidity lock to ensure there is no risk of malicious behaviour.

LONGEVITY

The Quack Inu team are here for the long haul. The team and community are in the process of creating an ecosystem which will stand the test of time and result in real use cases, greater rewards and a popularity beyond any temporary trends.

03 Quack Inu Token

\$Quack Inu is a BEP20 (BSC) token which is due to launch on the Binance Smart Chain.

The \$Quack Inu token Smart Contract will undertake multiple top-grade security audits to further the community's confidence, in a fully transparent way.

Quack Inu is a fully decentralized and community driven project - \$Quack Inu will also offer staking and liquidity farming from launch giving the community even more ways of earning passive income just by holding \$Quack Inu tokens.

This project has a great and well known dev and a dedicated community that delivers constantly.
